

**Regional Center for Autism Spectrum Disorders  
at Hunter College**  
Information, Inspiration, and Best Practice

## **Communication Milestones during the Second Year of Life: Using Play to Encourage your Child's Development**

**Michael Siller, Ph.D.**

**Thursday, November 20th, 2008**

**1:00-2:00 PM**

- \* Learn about joint attention and ways to improve communication with your child
- \* Learn how to use play to support your child's language development
- \* Learn about new research on the early signs of autism

### **Hunter College - North Building: Room 611**

Take the 6 train to 68th Street-Hunter College. Enter the college on 69th Street between Lexington and Park Avenues. Upon entering the building, turn left and take the elevator to the 6th Floor. As you exit the elevator, make a right and walk to the end of the hall through the double doors. Then make a left and walk towards the reception desk. Child care will be provided.
